- b) Any team wishing to reschedule a game must contact their opponent and League Commissioner 96 hours prior to the scheduled game time. If the appropriate people are not notified by the designated 96-hour period, a team is not obligated to accept the request to reschedule the game. This does not include extraordinary factors such as field closures due to bad weather.
- c) Teams must give justifiable reasons for requesting a game be rescheduled. A team is not obligated to accept a request to reschedule a game when the request is made outside of the designated 96-hour time period as stated in Regulation O.01 b). A team who does not accept the request to reschedule a game must inform their League Commissioner as soon as possible that request to reschedule a game was made and rejected. The team must provide a valid reason for not accepting a request to reschedule a game. The Commissioner may award points to the non-offending team if the rationale for requesting a game be rescheduled are not reasonable and justifiable and the scheduled game is not played.
- d) Games to be rescheduled must be done prior to the conclusion of the current season (ie Tiering, Fall, and Winter). If no agreeable date is available, then both teams must supply a date and time to their League Commissioner. The League Commissioner will reschedule the game based on the date and times submitted. The League Commissioners have the authority to assign points or not, if teams do not meet the guidelines by working together to reschedule their games.
- e) A default game occurs under one of the following situations:
  1. A team fails to appear at the appointed time and place for a game;

2. A team appears at the appointed time and place for a game with the intent to play the game but does not have the required number of players to start the game; a coach and a player showing up for the game does not constitute intent; or
3. A team, for any reason, fails to finish the game.  
Any team failing to appear for a game at the appointed time and place is responsible for paying the costs associated with the game as outlined in Regulation F.03. The League Commissioner will be notified of the situation as soon as possible and will report the incident to the PCFLL Executive for further action.

f) Commissioners are to be notified of all game changes.

g) Potential costs incurred by cancellations of less than 96 hours will be billed to the offending association/team.

h) Teams who forfeit or cancel games less than 24 hours of game time will be fined \$200.00. Any club and/or team who do not pay any outstanding referee/umpire fees from any defaulted game(s) prior to the completion of the current league schedule will be considered in bad standing and none of their teams will be allowed to represent the PCFLL in the Provincial Championships.

i) The league schedules will include the final date of league play. No games will be scheduled or rescheduled after this date without prior approval of the Commissioner. Prior to rescheduling any games, the Commissioner of the League has to be advised. Rescheduling games may seem to be a reasonably straight forward exercise, but a surprising number of situations develop in which rival teams cannot (or will not) find a mutually agreeable time. In the case of two teams unable to agree on a rescheduled game time, the Commissioner may be required to mediate a rescheduled game time. In such mediations, the Commissioner must collect all pertinent information, such as why the original game was cancelled, and field times offered from both teams, and then consult with head Commissioner and PCFLL Executive to make a final ruling.

j) Any team refusing to travel to another association for a game will be fined as per Regulation O.01 g) and h).

#### O.02. Play-off Schedule

(a) The PCFLL Executive, if required, will determine a playoff format after the Field Directorate has declared the number of PCFLL teams eligible for the Field Provincial Championships. (b) Tie breaker rule should standing be tied after the regular season

The president of that association and the team that wish to alter their approved uniforms or change their name, logo or colours will bring this request to the PCFLL chair to be presented at the next PCFLL meeting.
